

TMC Tee Times

Winter 2005

Message from the President

Happy Holidays to all TMC Members!

Here's hoping for a "short winter"... seems like it was just opening day a minute ago and we were getting ready to start our 2004 Season. Anyway time marches on! C'mon springtime and warm weather! This Winter issue of "Tee-Times" is just to say THANKS to all of you for a great season from the TMC, and to summarize our activity for you.

In this issue is a listing of the things your TMC Board did this year and any changes that were voted in to effect. Our efforts were and are to meet the needs of Today, and yet keep the Traditions alive as best we can. The old "Blue Books" are way out of date now, and we will be formulating something like it, or a web-type version that can be adjusted as times and policies change each season. We will continue to work on this during the winter and next season and will keep you informed.

We are looking for Member Volunteers for the TMC Board... we have openings next season for 2 positions: "Communications" and "Treasurer". We are sorry to see Keith Percy step aside next year as he has done a super job as your treasurer for the TMC. Many thanks Keith for all your hard work! Welcome aboard to our newest volunteer to serve as "Greens/House" and "Tournament" chairperson... It's Doug Lowe! He only had a year off after serving the TMC for many years in various ways, last as the TMC President! Welcome back Doug!

We closed the books in 2004 with closing balance of approx. \$1837.00 (with a few small bills we are waiting to receive), and our budget matched our forecast expenses. We look forward to next year with a positive outlook on 2005 for the TMC!

I would like to say Thanks to all of you, the Members, for allowing me to serve as your TMC President this year, and also thank all of my fellow volunteers on the TMC Board for all their work and support! John, Suzy, Rick, and all the workers at Skungamaug have outdone themselves this year! Thanks for everything!

Most of all: HAPPY HOLIDAYS!
Andy Brown.

Please consider sending in your TMC membership as soon as possible.

2004 Highlights

We added closest to the pin contests for several popular tournaments. This added to the excitement by allowing each flight to focus their efforts on select Par 3's.

We continued to support match play by changing the Goat Tournament, and provided documentation for each match and a leader board in the pro-shop.

We shortened the Club Championship to two days and increased participation, while extending the men's' championship flight to include golfers with 12 or lower handicaps.

We added incentive for members to recruit new people to join the TMC. Have your friends mention you on the form below at save \$10 on your membership fee.

The parent offspring tournament increased participation by 700%.

Food for golf was a huge success. Thank you to all who provided quality food for the food bank.

The Champions Scramble was well attended and the awards banquet was delicious.

Rick Nelson's putter exchange program helped many cure the yips or sink the long putts.

Tentative April Schedule

Sat 4/2	Best Front & Back
Sun 4/3	T's & F's
Sat 4/9 C	Opening Day 4 Person Arizona
